

If coming from outside of Ipswich it is probably best to either turn off the A14 at the Copdock junction taking the A1214 in to town, turning right in to Ranelagh Road at the traffic lights near Sainsburys. Or take the turn off at the Wherstead junction on the A14, turn left at the lights just before the bridge over the river and proceed along Burrell Road passing the Railway station on your left.

Once on Ranelagh Road take the turning as if you were going to the Penta Hotel and then follow the road round to the left and take the next right in to Reavell Place where you will see my office on the ground floor with the number 15 in large stainless letters above the door.

CAR PARK BAY ALLOCATION
